This press release may contain forward-looking information based on current information and expectations of the Company that involve a number of risk, uncertainties, and assumptions. Among the factors that could cause the actual results to differ materially are industry conditions, prices of crude oil and gas, the Company's ability to obtain and the timing of new project, and changes in competitive factor. Should one or more of these risk or uncertainties materialize, or should the underlying assumption prove incorrect, actual outcomes could vary materially from those indicated

Dukungan Penuh Pemerintah dalam Penguatan Pasokan, Operasional PGN Terjaga Andal

Jakarta, 17 Agustus 2025 – PT Perusahaan Gas Negara Tbk (PGN) didukung oleh Kementerian ESDM, SKK Migas, PT Pertamina (Persero) dan pemangku kepentingan terkait lainnya secara intensif telah mengambil langkah-langkah yang dibutuhkan untuk menjaga keandalan dan stabilisasi pasokan gas bagi pelanggan di wilayah Jawa Barat dan sebagian Sumatera.

Saat ini tekanan gas di dalam infrastruktur pipa secara berangsur stabil dengan diperolehnya tambahan gas untuk mengisi *stock* gas dalam jaringan pipa. Kepastian tambahan pasokan gas lainnya juga telah dikonfirmasi dan akan dimanfaatkan untuk meningkatkan keandalan operasional dalam rangka menjaga kestabilan pasokan gas kepada pelanggan.

“Hal ini merupakan bentuk sinergi PGN dengan berbagai pemangku kepentingan dalam mengupayakan stabilisasi dan penguatan pasokan gas, untuk memastikan keberlangsungan layanan kepada pelanggan,” ujar Corporate Secretary PGN, Fajriyah Usman.

PGN selalu mengupayakan ketersediaan pasokan gas bumi demi mendukung kelangsungan operasional seluruh pelanggan, khususnya sektor industri, yang memiliki multiplier effect terhadap perekonomian nasional.

Sejalan dengan upaya menjaga kestabilan pasokan, PGN tetap mengingatkan pentingnya pengendalian pemakaian gas oleh pelanggan.

“PGN mengapresiasi dukungan penuh pemerintah dan seluruh pemangku kepentingan terkait serta terus berkoordinasi aktif untuk mendapatkan solusi terbaik dalam mendapatkan pasokan gas secara berkelanjutan,” tutup Fajriyah.

Full Government Support in Strengthening Gas Supply, PGN Operations Remain Reliable

Jakarta, 17 August 2025 – PT Perusahaan Gas Negara Tbk (PGN), with strong support from the Ministry of Energy and Mineral Resources (ESDM), SKK Migas, PT Pertamina (Persero), and other stakeholders, has taken the necessary measures to safeguard the reliability and stability of gas supply for customers in West Java and parts of Sumatra.

Gas pressure across the pipeline network is gradually stabilizing following the injection of additional supply into the system. Further confirmed supply allocations will also be utilized to strengthen operational reliability and ensure consistent service to customers.

“This demonstrates PGN’s synergy with key stakeholders in stabilizing and reinforcing gas supply to secure continuous service for our customers,” said PGN Corporate Secretary, Fajriyah Usman.

PGN continues to prioritize the availability of natural gas to support the operations of all customers, especially the industrial sector, which plays a vital role in driving national economic growth.

In line with efforts to maintain supply stability, PGN also reminds customers of the importance of prudent gas consumption.

“PGN values the government’s full support and ongoing collaboration with all stakeholders. We will continue to coordinate actively to secure sustainable solutions for gas supply,” Fajriyah added.
